

EC CERTIFICATE OF CONFORMITY

č. 1020 – CPD – 090-030060

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product:

Mungo MIT-SP
Mungo MIT-SPE
Mungo MIT-SPEED

Bonded injection type anchor made of galvanized or stainless steel for non-cracked concrete:
sizes M8, M10, M12, M16, M20 and M24

placed on the market by:

MUNGO Befestigungstechnik AG

Address: Bornfeldstrasse 2
CH – 4603 OLTEN, Switzerland

and produced in the factory:

MUNGO Befestigungstechnik AG

Address: Mungo Plant 1

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No.

1020 - Technical and Test Institute for Construction Prague

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in ETA

ETA-13/0955, valid from 26.06.2013 to 25.04.2018

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product(s), the ETA itself, mentioned above, should be consulted.

This certificate was first issued on 28th June 2013 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

The stamp of the Notified Body 1020

Prague, 28th June 2013
